

**Seavus is looking for 4 enthusiastic interns to join us for 3 months. Our ideal candidate has strong passion for languages and loves to work in a team. You get things done, you question everything and you like to play in a team.**

Seavus is an innovative multinational company that enables organizations to achieve superior business performance by implementing high-quality, enterprise-ready software products, services and solutions.

Embedded in our core offer are, undeniably, the knowledge and expertise of the Seavus people.

For this reason we strive for strong and winning team, where every member can acquire, expand and use the knowledge in order to transfer it to all stakeholders.

By joining Seavus, you'll become part of a finest family of engineers and professionals, who are always urging for more.

You'll have the opportunity to work in a stimulating environment, where all the efforts are set on a common goal, but the individual work is always recognized. We'll provide you the tools needed to bring your ideas to life. And you'll be side by side with enthusiastic people, just like you, with whom you can share ideas, exchange know-how and learn from each other's experience.

Visit [www.seavus.com](http://www.seavus.com) and [www.career.seavus.com](http://www.career.seavus.com) for better insight of our company.

#### **Your responsibilities:**

- Creation of content for an application;
- Proactively help in the production of an innovative app;
- Organize, maintain and update content on weekly basis.

#### **Your profile:**

- 3<sup>th</sup> or 4<sup>th</sup> year student, or graduate with excellent Russian, Spanish, German or Italian language skills;
- Team player with ability to work independently and willingness to take on challenges;
- Excellent time management skills, ability to prioritize and multitask;
- Preferably experience with translation, proofreading and/or teaching, or genuine eagerness for gaining experience with it.

#### **What we offer:**

- Opportunity to be part of a great IT project first hand in a very exciting phase;
- A flexible working schedule;
- We provide you with everything you need to get the job done;
- Free coffee and tea;
- Monthly remuneration of 3000 Macedonian denars.
