## B. Mobility numbers per academic year

The number of students each institution will send may by no means exceed the number of students mentioned in this agreement. More specifically shorter periods of stay do not allow for the sending of more students, i.e. on an exchange of 1 student for 10 months, a partner cannot send 2 students for 5 months, not even if their stay covers different semesters. Each party will take this into consideration when organizing students selection.

Only in case of change of part B the drawing up/stipulation of a new agreement is required.

The agreement may be terminated by either side at one academic year written notice by sending an email to the institutional contact listed in part A. This means that a unilateral decision to discontinue the exchanges notified to the other party by 1 September 20XX will
